

2018 International Conference on Agricultural and Food Science

The 2018 International Conference on Agricultural and Food Science (ICAFS2018), co-organized by Asia-Pacific Association of Science, Engineering and Technology, Bahri Dağdaş International Agricultural Research Institute and Celal Bayar University, will be held in Istanbul, Turkey during October 28-30, 2018.

It has been designed to provide an innovative and comprehensive overview of agricultural and food science. A focus will be given on: 1. Agronomy, Agriculture and Plant Biotechnology; 2. Animal Biotechnology, Veterinary and Livestock Science; 3. Aquiculture, Fishery and Marine Biotechnology; 4. Forestry Science and Wood Research; 5. Food Science; 6. Agriculture Sustainable, Resources & Environment; 7. Related Engineering, Economic & Management, etc.

The aim of the conference is to provide worldwide specialists, scholars, and researchers a chance to exchange the latest research results and advances, study the latest technology and establish international collaboration in related field.

The Conference will be conducted in English and no simultaneous translation provided.

Please bring this notice to the attention of any of your colleagues who may be interested in participating the conference. We look forward to an exciting meeting that promises great scientific debate and enjoyable social interaction.
